MAIL STOP ISSUE FEE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA. 22313-1450

Dear Sir:

In the Notice of Allowability mailed **December 5, 2007** in the above-referenced application (hereinafter "Notice"), the Examiner included a statement of reasons for the indication of allowable subject matter [Notice, pgs. 3-11].

The Examiner's statement of reasons for the indication of allowable subject matter is not exhaustive and should not be viewed as limiting, as other bases for patentability may exist.

Further, Applicants' silence with regard to the Examiner's characterizations of the teachings of the references identified and discussed in the Notice should not necessarily be viewed as an acquiescence by Applicants to the Examiner's characterizations of these references.
